PERFORMANCE BY SSSIE BAND TEAM DURING SAMITHI EVENTS

SSSIE Band team was blessed to be part of various Samithi celebrations across Chennai. The processions were led by the vibrant band performance of the students.

VEDA CHANTING IN THE DIVINE PRESENCE

All the students undergo strenuous training in Veda chanting daily. Regular chanting of the eternal Vedic Mantra Sri Rudram is organized in the Campus. With Swami's Divine Blessings and instructions from the National Veda Co-ordinator Brother Shyam, 5 students were selected to get the golden opportunity of chanting Sri Rudram in the Divine presence during Sri Sathya Sai Balvikas Alumni Meet organized on 5th and 6th January 2024 along with selected students from TN. They also received the blessed chance of getting a group photo with Swami.

INFRASTRUCTURE/FACILITIES

'Your life is My message' says our beloved Bhagawan. The Sri Sathya Sai Institute of Educare established to make the lives of students as the Divine Message of Bhagawan, was blessed with abundant showers of the Divine Grace during 2023-24. Following is a brief report of the infrastructure and facilities excellence at SSSIE.

FREE EDUCATION PROGRAMME

SSSIE is a temple of learning. To the deity of this beautiful temple, His devotees offer their Seva through their voluntary contributions. The free education programme of the school gives a helping hand to the students who come from economically poor backgrounds families. The fee paid by the students is utilized for maintenance, food, accommodation etc. However, the tuition fee through which teachers and staff receive their remuneration is entirely taken care of by the Sai Educare Trust. Volunteers and school well-wishers

across the globe offer their sincere contribution towards the free education programme. In spite of the uncertainty over the donations received, until today, the free education programme is provided to all the students from LKG to XII. It is purely due to the Divine Grace of Bhagawan.

FREE NOON MEALS SCHEME

'As is the food, so is the mind' says our beloved Swami. To provide nutritious and Sathwik food to the students as well as help the working parents by reducing their burden of preparing lunch for the children, SSSIE began the Nithya Narayana Seva – Free noon meals scheme with the benign support of Shree Banaskantha Palanpur Association. During 2023-24, the scheme continued and benefitted more than 300 students. Local parents voluntarily took part in the Seva by assisting in food preparation, cleaning the dining area, serving food, etc.

INAUGURATION OF FIVE STAR BLOCK & OUTDOOR AUDITORIUM

With a solid step to fulfil the demands of numerous parents seeking admission at SSSIE for primary classes due to the Sai system of integral value-based education offered, with Swami's Blessings, the Management decided to introduce 2 sections in each primary class in a phased manner. But, it faced the difficulty of having yet another classroom for each new primary class. All prayed to Bhagawan to bless to solve the issue. With His Divine Sankalpam, Five Star Business Finance Ltd., Chennai - SSSIE well-wishers who have been supporting the school for its free education program, infrastructure development etc. came forward to support this project of constructing a new building with 8 classrooms for the new primary classes going to come. With their benign support through CSR scheme, the construction of the building along with an outdoor auditorium was successfully completed.

The new primary building was aptly named as 'FIVE STAR BLOCK' and was inaugurated by Sri **Lakshmiopathy Deenadayalan, Chairman and Managing Director, Five Star Business Finance Ltd.**, Chennai on 22nd Feb 2024. A special Homam was performed by the priests from the famous Vaitheeswaran temple. The renovated Lord Sai Krishna Mandir also was given Kumbabhishekam during the occasion. In his address to the staff and the students, Sri Lakshmiopathy Deenadayalan appreciated the Management for proper utilization of the grant offered. He advised the students to study well, make use of the opportunities available at such a school that gives greater emphasis on our culture, and reach the heights in life. The program concluded with Mangala Arathi and Prasadam distribution.

INAUGURATION OF ADVANCED COMPOUND MICROSCOPE

A new advanced compound microscope with high resolution was added to the list of modern equipment in the biology laboratory. Advanced microscopy techniques encompass both high-resolution and super-resolution imaging techniques. These techniques are primarily used to visualize biological events at extremely high resolution while being as gentle on the sample as possible, which is typically cells or tissues. With the kind financial support

from the Five Star Business Finance Ltd., the equipment was procured. Correspondent Sri S.Loganathan performed the Puja and offered Mangala Arathi. The capacity and the efficiency of the microscope was detailed by the Vice Principal Smt. Vedhanayagi.N.

30 KW SOLAR PANELS INSTALLATION

With kind support from the Nematik Aluminum Castings Pvt. Ltd. And Five Star Business Finance Ltd. 30 KWs solar panels have been installed on the campus. The panels greatly help to reduce the electricity expenditure.

OTHER GADGETS/ACCESSORIES ADDED TO SSSIE FACILITIES

Sanitary Napkin Destroyer, Dish Washer, Air-Conditioner, Smart Mobile for Office Usage, LCD Projector, Latest Computers for Computer Lab, Water Cooler, Water Dispenser, Drums kit for fine arts, Steam Iron Table, UPS Batteries, Cots for sick room etc. were the other gadgets/accessories added to the SSSIE facilities during the academic year 2023-24, making SSSIE reach excellence in the facilities offered to the students.
